Core Value #3: Service-Minded
Living Beyond Yourself
Galatians 5:13-18
(Pew Bible p. 1168)

Core Values: Intentional ministry priorities that define *who we are* and drive *what we do*.

BIBLE - *Centered* / **MISSIONS** - *Oriented* /
SERVICE - *Minded* / **FELLOWSHIP** – *Based* /

Bible-centered: The choice of trusting obedience to the Bible as God's *authoritative* word regardless of my feelings.

Missions-Oriented: Active participation with God and people in reaching the spiritually lost near and far.

Service-Minded: The attitude and action of putting others before self.

**Your very salvation includes
a call to Spirit-enabled service to others.**

1. A negative to resist: the pull of self indulgent “*me-ism*.”
2. The positive to cultivate: life in the Spirit.

“*Saved to serve*” is more than a slick slogan; it’s one way to sum up the life of every Christian.
