Following The Leader

Matthew 4:17-25

(Pew Bible Pg. 960)

1. "Follow Me"

2. Rival Leaders

3. Fallout of Following

"When God interrupts your life, He is calling you to follow Him in a new way. By breaking into your settled pattern, He is moving you to a new place where you can make fresh discoveries of His grace. Embracing God's call is never easy, but this is where the pursuit of a God-centered life begins, and where the shame of a self-centered life is exposed."
