Our Global God

Psalm 96
(Pew Bible p. 609)

Who sets the agenda?

Our great, global God ...

- | | |
|---|-------|
| 1. Deserves great, global praise. | 1-6 |
| 2. Will exert great, global reign. | 7-10 |
| 3. Will return with great, global implications. | 11-13 |

Who God is should drive what we do.

Our great, global God sets the agenda including

What
&
Where.

The God of the Bible is not some "village god" who exists only for our concerns.

Next week – Ecclesiastes 12
