## Rest in God's Sovereign Control

I'm grateful to finally be here with you after these last several months of transition. I praise God for His faithfulness and I thank you for your diligent prayers and abundant support. Perhaps you can relate to all these transitions my family has been undergoing, especially as you reflect on your transition to the Village. Maybe you were excited or maybe you were apprehensive of the unknown, but you made the transition.

There are variety of big life transitions that we all experience, some are hard, and some are easy. I've been encouraged by the Word of God through a variety of transitions, especially in relation to His Sovereignty. Proverbs 16:1, "The plans of the heart belong to man, But the answer of the tongue is from the Lord." The idea is that a person makes plans, but the ultimate result is from the Lord. There are a lot of planned transitions in the world today, but only one plan will be carried out: **God's**. What do you do when your dreams, plans and transitions don't seem to go anywhere? You rest in God's sovereign control. In His Sovereignty, He is shaping you for your good and His glory in the Lord Jesus Christ.

God is not only Sovereign over us as individuals but also Sovereign over us as a church. Village Bible Church has seen a variety of transitions over the last year and I'm sure there are many more to come. Some are filled with joy and other moments with sadness. But God loves us and we can rest in His Sovereign control.

What will the future hold for you as an individual or for us a church? Sometimes we want to see the future in HD because High Definition is so clear and beautiful. You want to see your life transitions, your relationship shifts, your advancements and setbacks and you want to see all that is going to happen until you are with the Lord. You want to see your transitions and future in HD.

Yet, that is not the way it works because God is God and we are not. I once heard that our transitions and futures in the Lord are less like HD and more like a Polaroid picture. Rather than being crystal HD clear it is slow exposure. That is often what your future transitions look like in life. God's calling for your life begins to be exposed slowly as you step out and live in full dependence on Him. I believe God has set it up this way so that you would enjoy a relationship with Him. So that each day you would get up and seek the face of God for wisdom and direction.

As we individually and corporately transition in life, may we take a hold of God who has taken a hold of us. May we rest in God and His Sovereign Control for our good and His glory.

Looking Toward Home,

Pastor Jason

**WHAT:** Bible Study fellowship (**BSF**) is an in-depth interdenominational Bible study that helps women know God and have a deeper relationship with Jesus Christ.

**WHEN:** Beginning September 11th and every Tuesday in September to May, at 9:00 am. Along with our regular classes, if you are new to BSF, please join us for our official welcome meeting, which will be held in the Sanctuary at 9:00 am on September 11th and 18th.

**WHERE:** Village Bible Church

**BSF** is a place to study the Bible in-depth personally and in community with others. Day classes give women of all ages the opportunity to wrestle with the tough questions of life, go deeper in their relationship with Jesus Christ and connect with other women in meaningful conversations about things that matter. As a class member, you will spend time in personal study of the Scriptures each week. On the day of class you will join other women in a small group discussion of the lesson and learn from a teaching leader how the truths of Scripture can be applied to daily life. You will leave class with comprehensive lesson notes, which teach further on the passage you studied, and lesson questions for the following week.

For further questions, please call Helen Stivitts at 501-984-3212

Your daily bread devotional booklets for September—November are now available on the table under the nametag board.

# CROSSES FOR LIFE

The Village Bible Church Men's Ministry in conjunction with Sacred Heart of Jesus Catholic Church is proud to sponsor the "Crosses for Life Memorial." The memorial crosses will be on display outside the churches during the month of September.

The "Crosses for Life Memorial" is a statewide outreach project of Benton County Right to Life. The crosses have been displayed in various locations throughout the state since January 2000. The crosses represent the pre-born children that die daily in the U.S. as a result of induced abortion. The purpose of the display is to memorialize those children and increase public awareness of the magnitude of what has been called by some "The American Holocaust."

The "Crosses for Life Memorial" is available to pro-life organizations and churches throughout the state. Funding for the project is provided by individual donations. For more information, contact **Gary George** at 219-730-9808.

The crosses will be available for viewing at these locations in the Village:

## WE gave them a "pounding!"

VBC came together and gave new pastor Dr. Jason Lancaster and his wife Melissa a pounding Sunday, August 5. And they gave them a little sugar too.

A pounding is an old-fashioned tradition celebrated in many churches where a new pastor is welcomed to the church with gifts of food. Traditionally, a pounding would provide a pastor and his family with a pounding of staples, such as a pound of flour, a pound of sugar, a pound of butter and a pound of other basic items.

VBC went a bit more modern, with items such as cereal, juice boxes, cookies, toilet paper, Kleenex, snack items and many perishable items collected.

Jason and his wife Melissa are from Skokie, Illinois. Jason grew up in Dallas. He attended Arkansas Tech University and Dallas Theological Seminary, and he received his Doctor of Ministry from Trinity Evangelical Divinity School. Prior to becoming the Senior Pastor of Village Bible Church, he was the Senior Pastor of Evanston Bible Fellowship in the Chicago area from 2004-2018 and a Senior Pastor of a church in Santa Monica, California from 1997-2004. Jason and Melissa have seven children.

Dr. Jason Lancaster is only the third senior pastor in Village Bible Church history. He will officially begin his service as Village Bible Church's new pastor on September 2.

## Take A Hike

The VBC *Take A Hike Ministry* will resume this fall beginning on Saturday, September 29. We will be hiking the Arkansas River Trail along the river in Little Rock.

From urban downtown to rustic corners of the wild, visitors to the trail can spot wildlife, gaze on picturesque landmarks and engage in a wide array of other activities.

Length/Difficulty - 3-4 miles/combination of easy to moderate. Trail is combination of dirt and pavement along the bike trail.

See the display table on Sunday, September 23 to sign up. For more information contact Mike/Jeanne Walters, [waltersark@sbcglobal.net](mailto:waltersark@sbcglobal.net) or Jerry/Roxie Harris, [rox2ie1944@yahoo.com](mailto:rox2ie1944@yahoo.com)

### THE FOUNDERS' BIBLE

Facilitator, Dick Leach

**Sunday Bible School class beginning October 7  
in Fellowship Hall**

#### Purpose

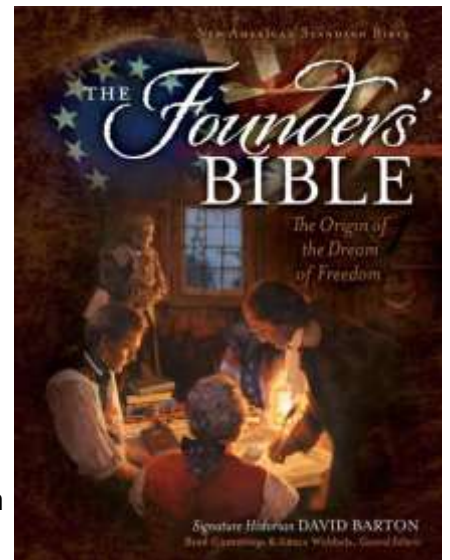

To examine and embrace the Biblical principles that have made America great.

- Find the escape from Egypt (Exodus) in the Declaration of Independence
- Find Moses' distribution of leadership (Deut. 1:15-16) in our constitutional republic
- Find the deceitful heart (Jer. 17:9) as reason for the separation of powers (Is. 33:22)
- Find God's moral law (Deut. 5) as the basis for a free and civilized society
- Find the city upon a hill (Matt. 5:14) in the Pilgrims' Mayflower Compact.

*Blessed is the nation whose God is the LORD...Ps.33:12*

#### Source

The Founders' Bible, Shiloh Road Publishers, 2012, 2017 (New American Standard). This Bible features commentaries by colonial leaders, founding fathers, U.S. presidents, and statesmen on passages of scripture which have impacted American society and culture. It was inspired by the research of historian David Barton, founder and president of Wall Builders, a national pro-family organization that presents America's forgotten history and heroes with an emphasis on our moral, religious, and constitutional heritage.

### Benevolence Fund

This fund is used to aid VBC family when there is a special need. Any donation to the fund would be appreciated, but should be over and above your regular giving amount.

Please make your check payable to Village Bible Church and designate "Benevolence Fund" on your check or envelope. If you know of a need within our body, please notify any elder or deacon. Thank you.

### Allergy Alert!

A perfume/cologne that one person may find delightful can be downright offensive to someone else, causing allergic reactions, headaches and even nausea that make it tough to attend worship service. We can all honor the needs of our church family members who have reactions to fragrances and refrain from wearing them during the hours each week that we spend in the church building.

My steps have held  
fast to Your paths. My  
feet have not slipped.

Psalm 17:5

There was a special time of appreciation for Pastor Terry Carter on Sunday, August 26 as we say “farewell” and THANK YOU for the great teaching these past few months.

# Men's Fall Conference

ALL MEN are invited to join us for a spirit filled retreat on  
**Thursday, October 4 and Friday, October 5.**  
at beautiful Lake DeGray Resort State Park

Guest Speaker: Dr. Chuck Stecker, Executive Director and Founder of *A Chosen Generation*.

Chuck is an ordained minister of the Gospel with the Evangelical Church Alliance and has earned a Doctorate of Ministry specializing in Christian Leadership. As an Army Lieutenant Colonel, Chuck served in various key leadership and staff positions, including 3 years on the Joint Staff in the Pentagon. Chuck has served the Lord in the local church in various ministry and leadership positions. After his retirement, he served with Promise Keepers for three years as the Regional Director of the South-Central Region. In 1997, Chuck launched a ministry, *Mission Capable Men*, and then *A Chosen Generation* in 2000.

Chuck uniquely combines several years of business experience, 23 years of military service and over 25 years of full-time ministry to bring forth a clear strategy to equip, train, empower and release a new generation of leaders. He has a passion to see churches return to truly intergenerational communities and develop the clear pathways that keep young adults actively connected to their churches and see them develop into the leaders that will impact every area of our society.

The activities begin on Thursday evening, October 4. After checking into your rooms at the resort hotel make your way to the pavilion for a time of fellowship and a GREAT BBQ meal served by Whole Hog Cafe. We will then return to the resort hotel for a challenging presentation by Chuck centering around our theme for the retreat - TAKE IT BACK. Friday morning, October 5, we will continue with more talks from Chuck and with break-out sessions **to reinforce Chuck's message.**

Before or after the retreat you may wish to enjoy some of the activities at the resort - fishing, golf, hiking. We will be scheduling golf tee times for Friday afternoon for those that are interested.

The rooms at the hotel are \$100/room based on double occupancy, so your individual cost will be \$50 + tax paid directly to the hotel. The cost for the retreat is only \$30 to defray the cost of the Thursday evening meal as well as some speaker and hotel expenses. Scholarships are available by contacting Gary George. Please look for our registration table in the VBC lobby after Sunday services on September 9, 16, and 23.

Chuck is a highly sought-after speaker at conferences across the nation, so we are blessed that he was able to fit us into his busy schedule. This will be a time of spiritual growth as well as a time to get to know some of the other men in our church better. You will not want to miss this outstanding opportunity.

## Baptism

The consistent pattern in the Book of Acts shows that the early followers of Jesus “believed and were baptized.” We desire to follow the New Testament pattern, and practice baptism as one of our two *ordinances* (“outward observances commanded by Jesus, picturing spiritual truth”). If you are *confused, convicted or just concerned* about baptism,

please sign up for the one-session **Baptismal Instruction Class to be taught in the weeks to come.** (Use the response tab from the bulletin or call the church office to sign up for this class).

## Quilting Bee

for Veterans at St. Francis House in Little Rock

If you missed the W.I.N.G.S. Quilting Bee on August 22<sup>nd</sup>, **NEVER FEAR** another opportunity is on the horizon -

Mark your calendars now for **September 26, 1-4** in the fellowship hall!

## Beth Moore Outing

On August 17th and 18th in Hot Springs, 60 VBC women and friends enjoyed praise and worship and Beth Moore's message -

“Climbing in a Caving World.”

Grieving the loss of someone close to you? Find comfort and support at GriefShare.

This program features biblical, Christ-centered teaching that focuses on grief topics associated with the death of a loved one. The DVD seminar features nationally respected grief experts and real-life stories of people, followed by a small group discussion about what was viewed. Past participants have related how helpful the information and follow-up discussion were to them.

Your bereavement experience may be recent or not so recent. You will find encouragement, comfort and help in grieving the death of a spouse, child, parent, sibling, other family member or friend. No matter what the cause of your loved ones death, this is an opportunity to be around people who understand what you are feeling. You will learn how to recognize the systems of being stuck in grief and that you do not need to live in bondage to certain emotions. You will learn valuable information about facing your new normal in life and renewing your hope for the future.

The fall GriefShare sessions will begin on Monday, September 10, and will meet each Monday morning from 9:00am—11:00am at Village Bible Church in room 110 until December 3. Call Bob Cobb, 501-915-9119 for more information or to pre-register for the fall portion of the seminar. Brochures about GriefShare are available in the Welcome Center.

## Come GROW with us!

### DESSERT BLESSES THE ENTREE

Most people consider the morning worship experience as their spiritual entrée; the main meal. And so it is. But there is more!

Just as a delicious dessert enhances a choice entrée, so Sunday morning Bible studies provide a satisfying conclusion to our worship experience. After being 'lifted up' in the sanctuary, we can add to your virtue knowledge through a stimulating Bible study. And it only costs 55 minutes! 10:50-11:45am every Sunday.

And the "dessert menu" is rich. Small discussion groups, a ladies class, a men's group and a large class for couples. Such a deal. For example, during September a wide-range series of Bible studies is scheduled in Fellowship Hall.

- \* Sept. 2 The Doors of the Bible
- \* Sept. 9 The Most Remarkable Chapter in the Old Testament
- \* Sept. 16 Messiah (Jesus) in the O.T.
- \* Sept. 23 Fellowship of Christian Athletes (FCA) Celebration Sunday with special guests; Micah May, Area Director of South Central FCA, local coaches & students from FCA Summer camp)
- Sept. 30 Evolution's Frauds, Forgeries, Blunders.

Other classes are similarly prepared to 'feed' your spiritual hunger for God's Word. You are invited! The Holy Spirit is there to move us toward Christ-likeness. Come GROW with us!! You will be blessed. I promise. Bob Warner

p.s. Gourmet refreshments will be abundant on the 23rd to celebrate God's goodness. Yum.

*Thank you*

The Missions Team would like to thank all of you who participated in making the VBC Missions Conference a memorable event. The Missions weekend was truly wonderful and couldn't have happened without your hard work and the love you have for Christ. Thank you again for investing your time in Missions.

The Missions Team

*I am thankful beyond measure for the care and expressions of Christian love from my Village Bible family in the recent departure of Dave to his heavenly home. As my neighbor and VBC member was taking me home from the ER after sustaining an injury, she reminded me I rob others of a blessing when I don't ask for help. The next night my two dogs were sprayed by a skunk so I called this neighbor and asked if she was ready to be blessed. She and her husband, with laughter and probably great abhorrence, came to wash two smelly critters. I was reminded that God works all things together for good and I could thank Him for the sling I was wearing.*

*I want to thank you for the numerous cards, food, treats and blessings you have shared with me and family these past few weeks. I'll try not to bless anyone else with Skunk Duty. I am overwhelmed with your thoughtfulness and prayers for me and our family. With gratitude, Sue Pilkington and family.*

For more than 10 years, VBC has hosted a Biblical-based class for ladies called A Healthy Move, designed to help newcomers survive and thrive as they settle into their new life here. The next class is scheduled to begin after the first of the year. But because we are excited to meet newcomers, we will be having a series of informal gatherings starting in September for the purpose of getting acquainted. We invite you to join us for a time of conversation with other women in a Christ-centered setting. In addition to meeting some new friends, the participants will be learning things about our community. "Coffee in the Loft for Newcomers" will be held the **SECOND THURSDAY** of each month, starting September 13th from 9:00 -11:00 AM in the loft.
